

To Whom It May Concern,

This message is intended to confirm that Vendhan Secure Encryption Consultancy is a verified specialist on SSL solutions, and a reseller partner, stocking our range of Sectigo, and Comodo branded SSL certificates.

I am in proactive contact with Ranjitha Sundaramoorthy and can assure you of the validity and authorization of Vendhan Secure Encryption Software Consultancy to carry and sell our SSL certificates and additional web security solutions. As a verified partner, Vendhan Secure Encryption Software Consultancy receives the benefits of providing CA-backed SSL solutions, along with the robust infrastructure of services that The SSL Store provides.

If you have any questions regarding the partnership status of Vendhan Secure Encryption Software Consultancy, please do not hesitate to reach out for further verification.

Respectfully,

Jack Parrish
